Ducati Cool Down 2 T-shirt

£42 | shop.ducati.com

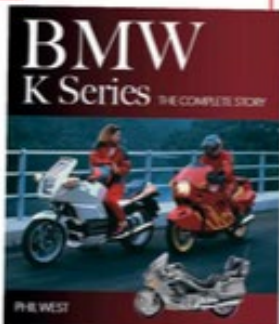

1 Designed for sporty track or road use, the Cool Down 2 range includes items with cooling, anti-sweat and anti-odour properties. The garments are made with Dryarn, a microfibre that guarantees optimal breathability and keeps the body always dry and at the correct temperature in both the hottest and the most rigid climates. The tech T-shirts offer lightness, elasticity and breathability. They're equipped with areas of a new large-mesh construction to optimise body transpiration and eliminate excess heat.

BMW K series book

£30 | www.crowood.com

2 Launched in 1983 to propel BMW into a whole new era, the K-series has included some of the world's most innovative and interesting motorcycles, from the original liquid-cooled, fuel-injected K100, to the 6-cylinder K1600 of the 2000s and beyond. BMW expert Phil West, author of BMW Airhead Twins and BMW GS, also published by Crowood, has again painstakingly researched the bikes' history, found pictures never published before, and recounts the whole K-Series story in a comprehensive and engaging tale.

LS2 Rapid helmet

£60-£70 | www.ls2helmets.com

3 Four fresh graphic options are available for LS2's Rapid touring helmet. Two 'Player' schemes - Hi-Vis Yellow/Black and Black/SkyBlue, and two 'Xtreet' in Matt Black/Red and Matt Blue/Purple. The High Pressure Thermoplastic Technology shell offers high penetration resistance and flexibility for energy dispersion. The 3D Optically Correct A-Class Polycarbonate visor is Pinlock-ready.

Tucano Urbano Zeus gloves

£55 | www.tucanourbano.com

4 Tucano Urbano's Zeus touring gloves are waterproof and breathable, thanks to an internal membrane that keeps your hands warm and dry. To aid visibility, there's a reflective fabric strip on the little finger plus reflective patterns on the index, middle finger and wrist. To aid safety protection, CE-approved flexible CPS protection is on the metacarpals with a flexible anti-abrasion insert on the palm. The two-ply visor wiper allows for perfect visor cleaning. The gloves also have touchscreen compatibility.

SW-Motech Pro Cosmo backpack

£122 | www.sw-motech.co.uk

5 SW-Motech's new Pro Cosmo backpack, made from Ballistic Nylon and 210D ripstop fabric, has a pre-curved back panel covered in air-permeable mesh which prevents perspiration build-up. Shoulder straps and a hip belt spread the load and are secured with a glove-friendly quick-lock system. The 17 litres of storage includes a section for a laptop or hydration pack, a zipped mesh area for smaller items, and extra lid storage. There's also an integral rain cover.
